

A CLE on the Mortgage Modification Mediation (“MMM”) Program in the Arizona Bankruptcy Courts, that started February 1, 2017.

Where we are. What’s working. Where we’re headed.

Judge Whinery will discuss the court’s commitment to the MMM program and, statistically, where we are today.

Other presenters will explain what is working in the program from the prospective of the chapter 13 trustee (Dianne Kerns), the debtor's counsel (Andrea Wimmer), the role of Debtor’s special counsel (Ellen Lawson), & the mediator (Rex Anderson).

One goal is to hear from the stakeholders about what is working and what is not. May qualify for CLE credit

When: Thursday, November 9, 2017, 12:00 PM until 1:30 PM

Where: Bankruptcy Courts - Phoenix 7th floor Training Room and Tucson 2nd floor Multi-purpose Room
