

# Password Reset in CM/ECF

You can now reset your own password in CM/ECF. To reset a password, you'll need your login and the primary email address associated with your CM/ECF account. Only primary email addresses will work, no secondary email addresses will be recognized.

1. To reset your password, click on **Forgot your password?** link on the CM/ECF login page.

**Authentication**

Login:

Password:

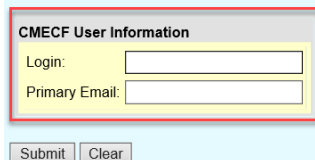

Client code:

[Forgot your password?](#) 

2. Enter your CM/ECF login and primary email address and click Submit. An email will be sent to the primary email address.

## Password Reset Request

Please provide the username and email address associated with your CMECF account. We will send you an email that will allow you to reset your password.

**CMECF User Information**

Login:

Primary Email:

Note: PACER account passwords (in general, those are 2 letters and 4 digit, e.g. "ab0000") cannot be reset via this page. Please visit [PACER](#) to reset your PACER password.

## Password Reset Request

Processing

An email has been sent to [REDACTED]

Please click the link in the email to continue the password reset process or enter the pin below.

This request will automatically expire in 30 minutes.

If you do not receive the email within 5 minutes please re-submit the request, ensuring that you are not blocking the .uscourts.gov domain and the email has not fallen into your "spam" folder.

PIN (from email):

# Password Reset in CM/ECF

If you enter an email address other than the primary email address associated with your CM/ECF account, you will receive an error message:

## Password Reset Request

Please provide the username and email address associated with your CMECF account. We will send you an email that will allow you to reset your password.
