United States Bankruptcy Court for the District of Arizona

The Courts are monitoring the outbreak of the Coronavirus Disease 2019 (COVID-19). Given the risk of transmission and the potentially serious consequences, the Bankruptcy Court has implemented procedures to protect Court personnel and the public from the spread of this disease.

Court personnel have been asked to practice good cold and flu season hygiene and disinfectant products have been obtained and distributed. Court personnel have been strongly urged to stay at home if they are suffering from any cold or flu-like symptoms. The Courts are allowing employees to telework consistent with their policies.

The Bankruptcy Court urges practitioners to adopt similar procedures and to promptly inform the Court if a practitioner who has appeared in court develops symptoms or tests positive for COVID-19, or if they believe that a scheduled trial or in-person hearing requires the presence of a person who has tested positive for COVID-19 or has been in contact in the past fourteen (14) days with an individual who has tested positive for COVID-19.

The Bankruptcy Court will promptly consider requests for telephonic appearances at hearings. Such requests should be made pursuant to each judge's existing [procedures](#).

We hope that these procedures will allow us to protect the health and safety of our employees and the public while allowing us to continue to accomplish our mission to fairly administer justice.

Finally, the Bankruptcy Court will consider implementing additional measures as circumstances warrant. The Bankruptcy Court will update the public as events develop and will give as much notice as possible if we must escalate our response. Please check our [website](#) regularly for any updates.

Brenda Moody Whinery

Chief Judge United States Bankruptcy for the
District of Arizona
